Response: The set point is now 21 degrees and the vents near the windows were rebalanced.

Kitchen dishwasher has been broken for three weeks

Facilities - Operations - submitted by Lena Fischer - resolved Sep 30, 2026

Response: The dishwasher was replaced on Tuesday and a weekly check added to the facilities round.

Pulse survey results

Question	Average (1-5)
My workload this week was manageable.	3.6
I felt recognised for my work this week.	3.6
I had the support I needed from my team.	3.7

eNPS: -6 from 272 responses

Department	Responses	Average	eNPS
Design	56	3.9	11
Engineering	57	3.5	-14
Client Services	50	3.8	-2

Department	Responses	Average	eNPS
Operations	53	3.6	-21
People & Culture	56	3.6	-2

Pulse answers store the department only, never a name or account id. Groups below the anonymity threshold are reported as "not enough responses".
